*Understanding the Building Blocks of the Planet:
The Materials Science of Earth Processes*

Chapter

[\[0\] Executive Summary](#)

[\[1\] Introduction](#)

[\[2\] The Earth's Habitable Surface: A Consequence of the Planet's Interior](#)

[\[3\] The Magnetic Field, Earth's Core and the Deep Mantle](#)

[\[4\] The 3rd Dimension of Plate Tectonics](#)

[\[5\] Other Planets, Other Interiors](#)

[\[6\] The Invisible Frontier: Creating the Conditions of Earth and Planetary Interiors](#)

[\[7\] Broader Impacts: New and Complex Materials](#)

[\[8\] Future of the Field: Building our Community](#)
